Dear Parents,

We would like to thank you for considering the Washington County Golf Course junior golf program for your child this summer. Our goal is to provide a safe and fun filled environment to that your kids may learn and enjoy this wonderful game. We have made some adjustments from last year that we feel will give the kids a much better experience. Our emphasis this year will be fun with golf instruction. We have placed limits on session sizes to 36 kids and we will break those groups down even farther to give each child more specified instruction as well as keep kids with relative age and skill levels together. Please sign up early! Lesson sessions will sell out!

Thank you,

Washington County Golf Course Staff
